

| Name:            | Date:   |  |
|------------------|---|--|
|                  |   |  |
| were looking ba  | ng here again three years from today and yek, what would have to have happened in be completely satisfied with your amount of |  |
| What has to occu | for you to be satisified with Your Progress?  |  |
| 1                |   |  |
| 2                |   |  |
| 3                |   |  |

| Dangers                     |  |
|-----------------------------|--|
| Cash Flow Shortfalls        | Procrastination &/or Difficulty making Decisions |
| Losses in Business          | Volatibility of Prices received                  |
| Losing Control              | Loss of Financing Sources                        |
| Lack of Focus               | Large Cost Increases on Inputs                   |
| Lack of Succession Planning | Loss of Key Personnel                            |
|                             |  |
|                             |  |

| Top 3 Dangers | Goal - 1 year from Now! |
|---------------|-------------------------|
| 1             |                         |
| 2             |                         |
| 3             |                         |

| Opportunities                     |                               |  |
|-----------------------------------|-------------------------------|--|
|                                   | Growth of business via        |  |
| Vertical Integration (processing) | acquisitions                  |  |
|                                   |                               |  |
| Future Expansion Plans            | Next generation opportunities |  |
|                                   |                               |  |
| Potential Relocation              | Business exit options         |  |
| Change of Operation               |                               |  |
| (grapes/trees)                    | New Enterprise(s)             |  |
|                                   |                               |  |
| Refinancing Opportunities         | Options to Diversify          |  |
|                                   |                               |  |
|                                   |                               |  |
|                                   |                               |  |
|                                   |                               |  |

| Top 3 Opportunities | Goal - 1 year from Now! |
|---------------------|-------------------------|
| 1                   |                         |
| 2                   |                         |
| 3                   |                         |

| Strengths                     |                              |  |
|-------------------------------|------------------------------|--|
| Industry Experience           | Strong Succession Plan       |  |
| Financial Strength            | Goals for the Future         |  |
| Positive Vendor Relationships | Sound Health                 |  |
| Solid Lender Relationships    | Solid Cost Controls in Place |  |
| Strong Business Growth        | Surrounded by a Strong Team  |  |
|                               |                              |  |
|                               |                              |  |

| Top 3 Strengths | Goal - 1 year from Now! |
|-----------------|-------------------------|
| 1               |                         |
| 2               |                         |
